### **Thanet Development Gala – CANCELLED**

Published March 3, 2018 [Uncategorized](#) Closed

We have made the decision to cancel today's Development Gala.

Although the freezing raining and falling snow has come to an end, we are very much aware that roads across Kent are going to be extremely icy and dangerous this morning and we want to prioritise everyone's safety.

We apologise for any disappointment or inconvenience caused. We will be in touch with information about a re-scheduled date as soon as possible.
